

Repeat Order:

① Repeat Order: On the Member Page, please select **Repeat Order**. By entering your part number and the date of order, you may track your order in any time (①-1). You may also review your previous orders (①-2) by clicking on the **Select** button (①-3) and entering your desired quantity to place your order online. Here, you will also see **Quantity Comparison** (①-4) for your use. If you are unsure about the correct part number, you may refer back to the product content specification or contact our sales team for your original Gerber on file to avoid errors in placement.

The screenshot shows the top navigation bar of the JetPCB website with links: About JetPCB, Manufacturing, Customer Service, Member, and Contact Us. Below the navigation bar is a red banner with the text "Order Status". To the right of the banner are icons for "Payment" and "Logout". Below the banner is a section titled "Announcement" with a red border and the text "No Data".
