

Promo Order:

① Manufacturing specifications for the Best Value: Go to [Member Page](#) and select [Promo Order](#) or go to the main page and select [1~5 PCs Promotion \(①-1\)](#). Enter your general requirements, including part number/ layer/ finished size/ quantity and silkscreen printing will suffice.

***Other terms and conditions:

- Restricted to a four-side rectangular PCB board in which V-scoring and slotting are not included.
- This trail offer is open to every Jetpcbweb member and is worth 3 times usage only (please note one piece of printed circuit board will be counted as 1 time usage). However, if you are inquiring for more than 2 pieces of printed circuit boards, there will be no restrictions on the numbers of uses.

The screenshot shows the JetPCB website interface. At the top, there is a navigation bar with links for 'About JetPCB', 'Manufacturing', 'Customer Service', 'Member', and 'Contact Us'. Below this is a red banner with 'Order Status' and a 'Payment' button. The main content area is titled 'Announcement' and contains a 'No Data' message. A section titled 'Please Choose Your Service' features four buttons: 'New Order', 'Quote Inquiry', 'Repeat Order', and 'Promo'. The 'Promo' button is highlighted with a blue dashed border and a circled '1'. Below this, a text box explains the 'Manufacturing specifications for the Best Value' and provides a link to 'New Order'. The 'Manufacturing Requirements' form is shown with the following fields: 'Part No.' (SAMPLE2012007), 'Layer' (2), 'Dimension' (X=100 mm, Y=150 mm), 'Quantity' (1 pc(s)), and 'Silkscreen' (Double). A 'Remark' field is also present. To the right of the form, there is a 'Silkscreen' section with an 'Explanation' and 'Manufacturing Capabilities'. The form includes a 'Unit' selector (metric/inches) and a 'Please review Terms & Conditions Before Ordering.' message. At the bottom, there are 'Back', 'Clear', and 'Calculate' buttons.
